MEMORANDUM

TO: All Interested Parties

FROM: Patrick Carroll, Chief
Drinking Water Branch

SUBJECT: Notice of Seventeenth Meeting
Workgroup for Operational Rules for Public Water Systems

On December 6, 2002, the Indiana Department of Environmental Management Drinking Water Branch and stakeholders held their sixteenth meeting concerning the development of a new rule regarding the operation of public water systems treatment and distribution systems. The purpose of this new rule is to develop a set of standards for the operation and maintenance of water treatment plants and distribution systems. The rule will be designed to ensure facilities operate in a manner that protects human health.

You are invited to attend the next meeting to continue developing a strategy regarding Operational Rules for Public Water Systems. During the last meeting we discussed requirements for repair and emergency procedures, revised chemical treatment requirements and revised definitions. At this meeting we will discuss the entire draft starting with definitions. Please plan to attend for your input is vital.
